Principal's Message

Believe it or not, we are down to the final two months of school! We look forward to many fun and exciting activities during this time, as well as important learning goals still to accomplish.

As you know, Spring Break is just around the corner. It will begin Friday, April 15th and extend through the following week of April 18th-22nd. Please keep in mind that Thursday, April 14th will be an early out day with dismissal at 1:00 p.m. I wish everyone a fun and relaxing break, and will look forward to seeing students back at school on Monday, April 25th.

We have such amazing students here at Ridge View and I am so proud of them. Thank you for your support from home. I look forward to a great month ahead.

-Ms. Doleac

School Land Trust Plan

The Utah State Legislature requires every public school in the state to establish a School Community Council at the school-site level. Each School Community Council consists of the principal, school employees, and parents or guardians of students attending the school. The School Community Council determines their school's greatest academic need and prepares a plan to address that need with the school's portion of the money distributed from the School LAND Trust program. A copy of our school's current Land Trust Plan can be found on our website. Recently, our School Community Council approved the 2022-23 plan, which will be added to the website soon. We'd like to thank our SCC members for their service this year.

RIDGE VIEW
ELEMENTARY

GRADE LEVEL

HIGHLIGHT: **MUSIC**

"Music acts like a magic key to which the most tightly closed heart opens."
-Maria von Trapp, The Sound of Music

I have seen throughout this school year how the students of Ridge View have brought and received so much joy through music. We began the year with third grade presenting "Spooky Night" (a Halloween musical play) and then followed with fifth grade's performance of "The Elves' Impersonator". We sent students off on their winter break with a Holiday Sing Along with a LIVE band made up of Ridge View teachers and community musician volunteers. Then the fourth grade honored our home state of Utah with their presentation of "Utah...This is the Place!" We are hard at work polishing off sixth grade's presentation of "Music...The Universal Language" (a world music play), that they will be performing on Friday, April 8th at 9:30. Then we will wrap up the year with the second grade performing "Bugz" on Friday, May 20th. The first grade has been hard at work learning how to correctly play our xylophones, metallophones and glockenspiels. We also "made it rain" in the music classroom playing our song "Rain, Rain". Every day in music is an adventure. I am so honored to be able to share these musical experiences with your children each day! Go Ridge View Raptors!
