Principal's Message

Hello Ridge View families! It feels like it has been forever since we were last together. We truly miss seeing your faces and hearing the buzz of learning in our classrooms. Despite the fact that our school building is closed, the daily work still goes on. Student learning continues thanks to the efforts of our teachers, and all of you, the parents and families who have been so supportive during this challenging time. **Thank you!** We appreciate your commitment and partnership. I look forward to the day when we see each other again at school. Stay healthy and well!

School Land Trust Plan

The Utah State Legislature requires every public school in the state to establish a School Community Council at the school-site level. Each School Community Council consists of the principal, school employees, and parents or guardians of students attending the school. The School Community Council determines their school's greatest academic need and prepares a plan to address that need with the school's portion of the money distributed from the School LAND Trust program. A copy of our school's current Land Trust Plan can be found on our website. Recently, our School Community Council approved the 2020-21 plan, which will also be added to the website soon. We'd like to thank our SCC members for their service this year.

Home-Centered Wellness

As we navigate these challenging times, it is important to know that you are not alone. Jordan District is committed to supporting your family's health and well-being, and has compiled several resources to help address some of the main concerns regarding COVID-19, as well as some ideas for how to make the most of your home-centered life. For more information and additional resources, please visit wellness.jordandistrict.org.

Spring Break!

During Spring Break, April 6th-10th, there will be no online instruction or assignments. We hope you find fun and enjoyable ways to spend this extra time. We'll see you all back online and ready for at-home learning to resume on Monday, April 13th!

Please note that until further notice, our school playgrounds are CLOSED.

KINDERGARTEN

Kindergarten has been rocking their online learning! We are so grateful to all of our parents for helping their students utilize our online classrooms. Students have been working hard to learn about "sneaky e" since the school closure began. They are currently working on Peter and the Wolf in music via Google Classroom as well. We are so lucky to have such a sweet group of kids this year. We are missing getting to see everyone in person, but want to say THANK YOU to everyone that is participating in our online classrooms!
