February | 2022

It's hard to believe how quickly January passed us by! I hope that February finds you and your family healthy and happy. As we continue to experience challenges as a result of Covid, I want to say thank you for your ongoing support and cooperation. In order to focus on the wellbeing of students, families, and employees, next Friday, February 11th, has been converted from a Flex Friday to a Health and Wellness Day. Teachers will be unavailable that day and there will be no student work submitted. There will also be no school meal service provided. Health and wellness materials will be emailed to families and available for your use if you choose. More information will be forthcoming from the district.

Thank you for your partnership in the education of your child. If there is every anything I can help with, please don't hesitate to contact me.

-Ms. Doleac
