Principal's Message

Welcome back and HAPPY NEW YEAR! I hope everyone had an enjoyable and relaxing winter recess. It's wonderful to see the students back at school this week as we look ahead to the new year. As always, January is a time when many of us set goals or make resolutions. This can also be a great tool to use with our kids. Sitting down with your child to discuss how the school year going so far can be a positive conversation and wonderful way to show your support. Setting goals and tracking our progress is very motivational.

As always, thank you for your continued support and partnership. I wish you all health and happiness in 2022!

-Ms. Doleac

2021-2022 Kindergarten Registration

It's hard to believe that kindergarten enrollment for the 2021-22 school year begins this month. It is very important that we have an accurate count of the number of kindergartners who will be attending Ridge View next school year. If you have a child who will be 5 years old on or before September 1, 2022, please come in to register him/her for kindergarten. Information will be sent home soon and posted on our website regarding this process. Also, please help us spread the word to friends and neighbors with kindergartners who might not be aware of the enrollment period. Kindergarten Orientation will be held Friday, February 25th at 1:30 p.m.

PTA Announcements

The Ridge View PTA strives to create educational enrichment opportunities for the students and to foster an overall positive school community for parents, teachers, and students. Please consider joining PTA! You can pick up a PTA envelope from the office or join online at:

<https://ridgeviewelementary.memberhub.com/store>

If you would like to get involved and volunteer, please contact our PTA President, Joyce Jensen, at 801.433.7673.

In Other News...

Ridge View Welcomes New Teachers

The new year brings two new faces to Ridge View. We are pleased to introduce, Mrs. King, a new 6th grade teacher, and Mrs. Stowell, a new 5th grade teacher. Both are excellent educators and have been hired due to our growing enrollment and large class sizes in each of these grade levels. The addition of these two new classes will greatly benefit our students!

Please join us in welcoming Mrs. King and Mrs. Stowell to our school.

Student Council Events

We appreciate the Student Council for hosting a fun Spirit Week to celebrate the holiday season. Students and staff had a great time and enjoyed many fun “dress up” days! Please watch for other upcoming activities the Student Council has planned.

GRADE LEVEL

HIGHLIGHT: **PRESCHOOL**

This month in preschool we are excited to introduce “Mindful Moments with Monster”. We will use monster puppets to prompt discussions about social/emotional topics from the Utah Core Standards for Early Learning, including; following classroom rules, taking turns, sharing, and inviting others to play. Our students will help teach the monster how to behave appropriately (and practice appropriate behavior themselves in the process). We will also continue to practice name writing using the appropriate grasp, as well as study their monthly letters, numbers, colors, and shapes. We look forward to a month filled with fun exploration and learning through play.
