Principal's Message

Welcome back! I hope everyone had an enjoyable and relaxing winter recess. It has been so fun to see the students back at school this week as we look ahead to the new year. January is always a great time to set goals. Sitting down with your child to discuss how school is going so far, and what, if anything, he or she would like to improve on can be a positive conversation and wonderful way to show your support. Setting goals and tracking our progress is a great motivational tool for everyone, including kids! The new year also brings a new face to Ridge View. I am very pleased to introduce, Mr. Menlove, who was recently appointed as our assistant principal. He will be a great addition to our staff! Please join me in welcoming him to our school. As always, thank you for your continued support and partnership. I wish you all a very HAPPY NEW YEAR!

2020-21 Kindergarten Registration

It's hard to believe that kindergarten enrollment for the 2020-21 school year begins this month. It is very important that we have an accurate count of the number of kindergartners who will be coming to Ridge View next school year. If you have a child who will be 5 years old on or before September 1, 2020, please come in to register him/her for kindergarten. Information will be sent home soon regarding this process. Also, please help us spread the word to friends and neighbors with kindergartners who might not be aware of the enrollment period. Kindergarten Orientation will be held Friday, February 28th at 2:15 p.m.

Student Council Events

Student Council is gearing up for their next service project. During the month of February, they will be collecting gently used coats and blankets to "Warm the Hearts" and bodies of the homeless. All collections will be donated and delivered to the homeless shelter at the end of February. Additional information will be sent out soon!

RIDGE VIEW ELEMENTARY

GRADE LEVEL

HIGHLIGHT: 4TH

The fourth grade is fabulous! Lots of great things have been happening. We are currently working through our science units of weather/water, rocks and minerals, Utah environments, and fossils. In December we had the opportunity to go on a field trip and listen to the Utah Symphony. The students really enjoyed listening to some amazing music. In math, we have been working on multiplication and division, and we just started our unit on algebra. We are excited to begin practicing for our "Utah, This is the Place" musical that will take place in February. Students will have the opportunity to showcase all the wonderful things they have learned about our great state.

The students of fourth grade truly are the best! They are hardworking, kind, and friendly. We have enjoyed teaching them this year and look forward to helping them complete this year with excellence.
