Principal's Message

It seems hard to believe that it's already March and time for our second set of Parent-Teacher Conferences. As a parent, you provide valuable information that better enables our teachers to address your child's needs. We appreciate your participation and input.

As in the fall, conferences will once again be held virtually. Additional information will be sent later this week to schedule a conference. Your child's teacher will then send additional instructions and a virtual meeting link. Should you have questions or need assistance scheduling a conference, please don't hesitate to call our office.

We are grateful to be partners in the education of your child!

– Ms. Doleac

GRADE LEVEL

HIGHLIGHT: **2ND**

Second Grade at Ridge View is an amazing place to be! We have seen so much growth in their learning and they are succeeding! We just celebrated our 102nd day of school and are ready to give it our best for the rest of the school year. We have been working hard in math and learning double- and triple-digit subtraction with regrouping. Students are doing well! We are loving our new phonics program. We have some "Really Great Readers." We have acquired new skills and knowledge in order to tackle big language arts and math concepts. 2nd Grade can move mountains!
