## Principal's Message

As we begin the final month of school, I find myself reflecting on what a challenging, but rewarding school year it's been. I am so proud of our staff and students for the hard work and efforts they've put forth during such an unusual time. While these past months have been far from ideal, we've managed to make the best of it!

This month also marks the beginning of end of year RISE testing for students in 3<sup>rd</sup> - 6<sup>th</sup> grades. Please watch for additional information from your child's teacher regarding specific testing dates and times.

As always, thank you for your involvement in the education of your child. We are grateful for your support and appreciate the partnership we share with you.

– Ms. Doleac

## PTA Announcements

The PTA is hosting a fundraiser FUN RUN on Tuesday, May 11<sup>th</sup>. The money raised will come directly back to Ridge View and used to support the many fun activities and programs that the PTA provides for our students.

Students will run during their rotation class time (**5 laps=1mile**) and will raise money based on the pledges they collect. Please show your support and help us reach our fundraising goal!

If you are interested in helping with the Fun Run or other upcoming activities, please contact the PTA at [vraptors@gmail.com](mailto:vraptors@gmail.com). Due to continuing health and safety guidelines, the number of parent volunteers will be limited.

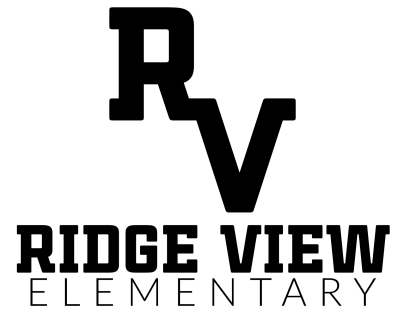

## In Other News...

**CONGRATULATIONS** to our kindergarten teacher, Mrs. Howland! She has been recognized as one of Jordan School District's Educators of the Year. We are so lucky to have her at Ridge View!

## Student Council Events

Student Council continues to host its weekly "Spirit Days" every Thursday. Students are invited to show their spirit by wearing their school t-shirts or school colors. The winning class gets to host the Ridge View Raptor for the week! GO RAPTORS!

## GRADE LEVEL

## HIGHLIGHT: **6<sup>TH</sup>**

Through Covid, masks, and quarantine  
Our 6th graders became learning machines.

We worked real hard and still had fun  
We'll name some things one by one.

Expressions, decimals, and fractions too  
Solving math problems, we did do!

Every week we'd read a lot  
It helped us learn those story plots.

We wrote and wrote and wrote some more,  
Writing essays scares us no more.

Now it's time to give history a shout  
Like Otzi the Iceman, and the Silk Road Route.

In Science class we liked to explore  
The Earth and Moon and so much more.

And as this year comes to an end  
We will always remember our teacher and friends!
