Principal's Message

We look forward to Parent-Teacher Conferences this month! Communication between home and school is critical in providing the best education possible for our students. As a parent, you provide valuable insight that better enables your child's teacher to address his/her needs. Our teachers truly appreciate the support and partnership in the education of your child.

As with so many other things we've experienced this year, conferences will also be very different, as they will be held virtually. You should have received instructions for scheduling a conference. If you have any questions or need assistance, please contact the office. You will be receiving additional instructions and a virtual meeting link from your child's teacher.

Although conferences are held only twice yearly, we encourage parents to contact the school if you have questions, concerns, or feel your child needs additional support.

– Ms. Doleac

Drop-Off and Pick-Up Reminders

As a reminder, please pull all the way forward when picking up and dropping off students. Should you choose to use the visitor parking lot in front of the school for drop-off or pick-up, please be aware that you must PARK your vehicle and walk your student to and from the crosswalk. Students will not be permitted to cross to the parking lot without an adult. Thank you for making student safety a priority.

RIDGE VIEW
ELEMENTARY

GRADE LEVEL

HIGHLIGHT: 1ST

What do you get when you have students who have been busy learning to read, write, and be a good friend? First graders! Our cute little turkeys have been gobbling up knowledge. We will see great progress in reading this year. We have also been learning about informational writing. We practice writing a topic sentence, three details, and a conclusion. In math, we are working on subtraction and we are getting ready to find the unknown partner in an equation. We are thankful for you supportive parents and your children. We enjoy feasting on learning together.
