## Principal's Message

We look forward to seeing you at Parent-Teacher Conferences this month! Communication between home and school is critical in providing the best education possible for our students. As a parent, you provide valuable information for your child's classroom teacher that better enables them to address your child's needs. Our teachers truly appreciate the support and partnership in the education of your child.

Conferences will be held both in-person and virtually this year. Please watch for more information to come from the school and your child's teacher.

-Ms. Doleac

### November 12

Compensatory Day-No School

### November 19

FLEX FRIDAY

### November 23

Early-Out Dismissal, 1pm

### November 24-26

Thanksgiving Break-No School

## Drop-Off & Pick-Up SAFETY Reminder

With nearly 1,000 students at Ridge View this year, as well as ongoing construction in the area, it is of utmost importance that we are cautious and mindful of the drop-off and pick-up procedures in place. When followed, traffic moves efficiently, and most importantly, students stay safe.

An area of recent concern is the north parking lot (by the bus entrance) and along the road. Students are running across the bus entrance and through the parking lot to be picked up and load in vehicles waiting on the street. This is unsafe. Please be aware that we do not have supervision or a cross walk in that area. If you would like to pick your child up north of the school, we ask that you park in the parking lot and wait for your child to come to you. We will be stopping students who are running across the unsupervised area and directing them to a cross walk before proceeding to their parked vehicle. We appreciate your cooperation and commitment to assist us in keeping our students safe.

## PTA Announcements

The Ridge View PTA strives to create educational enrichment opportunities for the students and to foster an overall positive school community for parents, teachers, and students. Please consider joining PTA! You can pick up a PTA envelope from the office or join online at: <https://ridgeviewelementary.memberhub.com/store>

The book fair will be held during Parent-Teacher Conferences on Wednesday, November 10<sup>th</sup> from 9am-7pm and Thursday, November 11<sup>th</sup> from 1pm-5pm.

## In Other News...

### FLEX FRIDAY

The next Flex Friday will be held November 19<sup>th</sup>. ***In-person attendance on Flex Friday will be by teacher invitation only.*** The teacher will contact you one week in advance to invite your child, however, please keep in mind that in-person attendance is NOT required. ALL students will be provided learning goals and assignments to complete in-person or at home. If you have any questions, please contact the office or your child's teacher.

### Say Boo to the Flu!

Visit the on-site flu clinic held during conferences on Wednesday from 3:30 p.m. – 6:30 p.m.

### Thanksgiving Recess

Thanksgiving Recess is November 24<sup>th</sup>-26<sup>th</sup>. As a reminder, ***Tuesday, November 23<sup>rd</sup> is early-out dismissal at 1:00 p.m.*** We wish you and your families a wonderful Thanksgiving!

## RIDGE VIEW ELEMENTARY

### GRADE LEVEL

### HIGHLIGHT: 2<sup>ND</sup>

We are so lucky to be in 2<sup>nd</sup> grade and we think that we have the best students at Ridge View! This year we have been focusing on reading and phonics skills that are improving our decoding, fluency and comprehension. Our students love Heggerty and are enjoying Walk to Read each day. In math we are working on fact fluency and mastering double digit addition with regrouping. Students are so proud of their ability to use many different strategies to solve problems. Science is a highlight of the day for many students. Each class is studying a different topic and will be rotating through each one. We are learning about insects and plants, liquids and solids and lastly pebbles, sand and silt. There are so many fun investigations, from watching meal worms and their life cycle, making bricks and watching plants grow.

We are so proud of all our student's progress and are looking forward to continuing this great year!
