 - We are following the state goal - 60% of students in K-3 will make typical or better progress using middle-of-year and end-of-year data from Walk to Read (95% group) and Acadience
 - Current data is K-6, next year we will be K-3 so data will look different

 - Majority of finances will be spent on personnel (Teachers, Aides, Specialists, Interventions Assistants, Rotations, BTS program)
 - Legislative changes for BTS grant have modified funding

 - Budget is based on previous calculations anticipating Ridge View will be allocated .50 FTE - we are still hoping enrollment will be taken into account
 - Funding Changes
 - Additional Walk-to-Read materials / other intervention resources

- Pay for substitutes as needed for teachers to participate in professional development / tutoring and/or creating learning scales and common formative assessments
