Notes:

- Review of Safe Walking Routes Process and Suggestions
  - Students are crossing at Lower Meadow
  - The start time on Fridays is not making enough of a difference in traffic
  - Students are crossing Rex Peak and Greenford Lane without using the crosswalks
  - Suggestion to look at the intersection at Paladin and Greenford
- School Land Trust Plan Review and Information
  - Budget is decreasing because of the new school and housing fewer students
  - Mid year data is not yet available but we will be looking at progress at the end of this week and the SCC will be updated at the March meeting
  - Proposed ELA and Math goals
    - The goal will be changing to a proficiency goal in 2027 (for ELA)
    - Discussion on greater focus on K-3 and using funds towards literacy proficiency at these critical early years
  - Proposed Action Plan for ELA and Math
  - The final plan will be shared with the SCC on March 6 for approval
- Next meeting is March 6, 2024
  - Sabrina Horsley would like Wit and Wisdom to be included on the March 6 agenda
    - Are there opt out options for all or portions of the program and how would that look
    - When are grades implementing the program- this year or next?
