

School Community Council March Meeting

5:33 Principal Doleac calls meeting to order and introduces agenda

5:34 Previous Discussion Items

- Electronic approval of minutes accepted
- 4 way stop at Greenford Lane and Lower Meadow being discussed
- Pick up/drop off much better. Keep working
- Safe Tech: Net Smartz scheduled for yearly assembly
- Tech: iPads to first graders 1:1 ratio
 - Kindergarten is not 1:1 but they have 16
 - Focus on blending learning

5:41 Land Trust Plan

- Still collecting data. More to come in the summer. RISE at the end of the year.
- K-3 specific goal
- Language Arts and Math for other grades kept as focus because of district benchmarks
- RISE for end of year ELA proficiency
- When we have end of year data we will compare to the beginning of year to determine Progress
- Money allocated to personnel and salary costs
- Funds have increased
- 4 days of rotation
 - $\frac{3}{4}$ days teachers are meeting with students to provide Tier 2 interventions
 - $\frac{1}{4}$ days used for PLC or other teacher trainings
- Music teacher paid from BTSALP grant and land trust to provide full time salary
- Full time instructional coach desired. Land Trust approval?
- Land Trust based on enrollment
- Land Trust increased for next year

5:52 What is increased distribution?

- Initial allocation given in spring. Possible additional allocation given in fall. What will what should money be used for?

5:54 Motion to Vote

- Seconded
- Approved
- Sarah, Heather, and Bryan were all absent but received copies of the plan and approved via email.

5:55 Elections for next year

- 3 more members? 12 total
- Each member gets a vote so larger councils can make votes more difficult to collect.

5:57- additional question from Joseph

- Covid 19 concerns and support for the school
- Every student in the Jordan School District on Canvas- content for every student if Needed
 - 2 week courses on canvas in case of coronavirus infection

UEN- Utah Education Network. Bandwidth is incredible and there are the means to provide education for students who might be on lock down

Immunodeficiency beta group?

Technology loans in emergency cases

Web-X video chat for emergency instructions

6:14 Potential resources for the duration of the summer

6:15 Meeting adjourned
